Notification of period for the exercise of public rights re unaudited accounts, year ended March 31st, 2018

Please be advised that Laxfield parishioners or their representatives are invited to view on the website or in document form the full, unaudited accounts and accompanying documentation for the financial year April 2017 to March 2018.

There is also available a signed statement of declaration of the parish council's observance of its statutory obligations during that year.

External auditors will examine and seek clarification on any issues they observe or which are brought to their attention by members of the public or which they identify themselves.

A full internal audit has already taken place and a copy of this and any other documents, including receipts, minutes and budgets is available by contacting the parish clerk in office hours.

The full, unaudited accounts have already been made available at the parish meeting in May and have been posted on this noticeboard.

The exercise of public rights begins on Monday, June 25th and ends on Friday, August 3rd.
