

Laxfield Parish Council

TRAINING AND DEVELOPMENT POLICY

Introduction

Laxfield Parish Council is committed to the training and development of its Councillors and staff in order to assist the Council in achieving its aims, objectives and priorities. Laxfield Parish Council believe that this will ensure Council is kept up to date with all new legislation and provide an informed and effective, up-to-date service.

To support this, funds are allocated to a training budget annually to enable staff and Councillors to attend training and conferences relevant to their role.

Prospective Councillors and applicants for the post of Clerk should be made aware of the content of this policy and the expectations placed upon them.

Policy Statement

Laxfield Parish Council is committed to ensure that it continues to fulfil its duties and responsibilities to residents professionally. To that end the Council's intention is that Councillors, Clerk and any other workers of the Council are suitably equipped with the correct knowledge and skills to carry out their roles and maintain effective working practices.

The Council will arrange or provide such training and development opportunities as it deems necessary and relevant for the delivery of its work.

It is essential that Councillors and staff are given equal opportunity to develop their knowledge of local government and the law relating to parish councils and to learn new skills to promote partnership working and community engagement. Councillor and staff development should be recognised as an integral part of the Council's business.

Training Needs Identified

To provide appropriate training, development and learning opportunities for all Councillors and staff, identified through self-assessment, the Council's aims and objectives and changes in legislation.

Training requirements for Councillors will usually be identified by themselves, the Chair and Clerk, with opportunities to attend courses being investigated by the Clerk and brought to the attention of full Council.

Annually, the Council will formally review the training needs of the Councillors and the Clerk at a meeting of the Parish Council, normally the budget meeting.

Training needs for the Clerk will be identified through the recruitment process for new Clerks, including application form and interview, formal and informal discussions and annual staff appraisals.

The Clerk is expected to keep up-to-date with developments in the sector and highlight to the Council any training required.

Resourcing Training

Annually, an allocation will be made in the budget each year as to enable reasonable training and development. Annually, the Council will consider an allocation in the budget for the payment of a subscription to SALC to enable the Clerk and Councillors to take advantage of their training courses and conferences.

Purchases of relevant resources such as publications will be considered on an ongoing basis.

Evaluation & Review of Training

All training undertaken will be subsequently evaluated by the Council to gauge its relevance, content and appropriateness. Any additional training needs highlighted as a result, will be brought into the training identification process.

Training will be reviewed in the light of changes to legislation or any quality systems relevant to the Council:

- new qualifications
- new equipment
